

2026 ANCHORAGE TRANSPORTATION FAIR SUMMARY

Wednesday, April 22, 2026 | 3:00-7:00 p.m.

Alaska Airlines Center, Anchorage, AK

Attendees:

- Kelly Kilpatrick, P.E., DOWL

Event Summary:

Members of the project team represented the Glenn Highway – Hiland Road Interchange Improvements project at the 2026 Anchorage Transportation Fair on Wednesday, April 22, 2026, from 3-7 p.m. at the Alaska Airlines Center in Anchorage, Alaska. The team presented informational materials including a fact sheet, project boards, and traffic movement animations and provided comment sheets for the public to record and submit comments and questions. Interested agencies and individuals signed up to join the project mailing list. Members of the project team were available to answer questions from the public.

Comment/Question Summary:

- Support for the project.
- Several requests for an update on construction timing.
- Request to connect the non-motorized facilities from Eagle River Loop Road along the east side of VFW Road. Requested update has been included in current design.
- Request to not construct Hiland and Artillery interchange improvements at the same time.

Action Items/Next Steps:

- Project team to review public comments received
- Project team to post event summary to project website
