Event Summary:

Members of the project team represented the Glenn Highway – Hiland Road Interchange Improvements project at the 2025 Anchorage Transportation Fair on Tuesday, April 15, 2025 from 3-7 p.m. at the Alaska Airlines Center in Anchorage, Alaska. The team presented informational materials including a fact sheet, project boards, and traffic movement animations and provided comment sheets for the public to record and submit comments and questions. Members of the project team were available to answer questions from the public.

Comment/Question Summary:

- Request to remove the signal at the Wolf Den Drive/Hiland Road and Eagle River Loop Road intersection.
- Concern with the divergabouth alternative, and how drivers will learn to navigate this concept, which is new to Alaska.
- Support for alleviating congestion at the interchange.

Action Items/Next Steps:

- Project team to review public comments received.
- Project team to post event summary to project website.
